Set on 2.74 beautifully landscaped acres, this picturesque acreage combines peaceful rural living with thoughtful functionality and natural beauty. The gated driveway welcomes you into a private retreat surrounded by mature trees, open skies and wide country views. Inside, this vaulted bi-level offers a bright and well-maintained layout with hardwood and tile floors throughout (no carpet!) A bayed front living room brings in natural light and frames relaxing views of the property. Culinary adventures are inspired in the country kitchen featuring a centre island with casual breakfast bar seating, ample cabinetry and a window over the sink overlooking the peaceful yard. The adjoining dining room is enhanced by corner windows and opens to a large covered deck, encouraging a seamless indoor/outdoor lifestyle. The main floor hosts two bedrooms including a generously sized primary with walk-in closet and a 4-piece ensuite, while a second full bathroom adds comfort for guests or family. Downstairs, the fully finished basement offers excellent space to unwind or entertain with a huge recreation room warmed by a quaint wood-burning stove set into a charming stone feature wall. Two additional bedrooms, another full bathroom and ample storage complete this level. Outside, the grounds are extraordinary! A lush orchard with electricity produces apples, pears, plums, currants and grapes. There's a beautiful garden area, greenhouse, aerated pond with pump and hose system, a firepit for quiet evenings and a 24x30 heated garage with 220V power. An exterior hookup is in place for a Generac generator setup with generator included, offering added peace of mind. An electric gate at the entrance is equipped with optional cellphone-controlled access for adding security and convenience. Phenomenally located just minutes to Lousana's community hall

and a short drive to Delburne, Penhold and Trenville Park along the Red Deer River. Central access to Red Deer, Innisfail and Three Hills makes this a convenient rural escape with no compromise on connection.
