Welcome to this beautifully appointed 1-bedroom and den condo, ideally located on the 18th floor in the vibrant Beltline community of Calgary. I've seen more condos than I can remember, but this is one of my favourite floor plans. The kitchen has everything you need and the space to make a full dinner: SS appliances, including an oversized double-door refrigerator, Quartz counters, and ample counter space. Newer luxury vinyl plank flooring throughout, and large windows allow the natural light to cascade in and offers you a beautiful view of the Calgary city skyline. Just steps away on the back side of the building is a Major grocery store, a Co-op, Asian and organic grocery options. Conveniently located to famous 17th Ave in Calgary, which offers the best dining options for the Calgary Food Scene. Don't forget to take advantage of the free downtown light rail system, which is conveniently located mere blocks away from the apartment. Located steps away from the Bow River, you' Il enjoy easy access to scenic strolls, cycling, walking, and nearby parks such as the famous Princess Island Park.
