From sunrise over the Bow River to the downtown skyline glowing at night, every room frames a sweeping, uninterrupted view, no towers to block it. Inside, the layout is one of Verve's most functional: an enclosed Den with a sliding door that works as a true office or comfortably fits a twin bed, offering rare versatility for guests, hybrid work, or extra income potential. The modern kitchen features quartz countertops, stainless steel appliances, and a large island with seating. Floor-to-ceiling windows maximize natural light, while central A/C, in-suite laundry, and a private balcony add everyday comfort. This home also comes with titled underground heated parking and a separate storage locker, adding everyday convenience and long-term value. Residents enjoy access to Verve's premium amenities: • Sky Lounge & Rooftop Observation Deck (25th Floor) • 6th-floor indoor lounge with fireplace, games & full kitchen • Landscaped outdoor terrace with BBQs & firepit • Modern fitness studio • Bookable guest suites • Concierge, security, visitor parking & bike storage The location is unmatched. Steps to the RiverWalk, Central Library, Studio Bell, Superstore, caf  s, the CTrain (within the free-fare zone), and East Village's growing dining scene. An off-leash dog park is less than 200m away. For investors, recent high-floor one-bedroom leases at \$1,850–\$2,100/month demonstrate strong rental demand. For end users, limited high-floor inventory

makes this home a rare chance to secure a river-facing residence in one of Calgary's fastest-evolving neighbourhoods. A lifestyle upgrade, an investment advantage, and a view you will never forget—welcome to Verve.
