The kitchen is a standout, featuring stainless steel appliances, an oversized island with quartz countertops, ceiling-height two-tone cabinetry with glass panel displays, soft-close drawers, a lazy Susan, under-cabinet lighting, a walk-in pantry, and extended cabinetry for additional storage. Upstairs, the primary bedroom is impressively spacious and includes a luxurious ensuite with a fully tiled shower enclosed in 10mm glass, double vanities, and a large walk-in closet. Two additional well-sized bedrooms share an upgraded four-piece bathroom. Both bathrooms are finished with full-height mirrors, quartz countertops, and stylish backsplash details. A cozy bonus room and a convenient upper-level laundry room with rough-in for a sink complete the upper floor. Additional highlights include a 200-amp electrical panel, central air conditioning, and an insulated, drywalled double garage.
