This is a Truman-built home with a beautifully appointed interior with modern finishes. This home has just over 1600 sq ft of finished living space with 3 bedrooms, 2.5 baths and a front attached double garage. Entering the home into a spacious entry with a bench, there is lots of room for everyone at once. Or, coming in from the garage, there is ample room in the mud room for coats, shoes & sporting gear. The open concept kitchen/living room areas are flooded with natural light. The floor-to-ceiling contemporary kitchen cabinetry has textured finishes and soft-close door & drawer hardware, plus a deep drawer for pots & pans! Polished Quartz countertops throughout the home and for the chef - stainless steel energy-saving integrated appliances with a built-in microwave, fridge with water & ice, a dishwasher and a good sized island. Head out to your large back deck perfect for a BBQ that looks onto a greenspace. Upstairs, the primary bedroom has a walk-in closet and 4-pce ensuite bath. There are two other good-sized bedrooms, a 4-piece bath, and an amazing laundry room with built-in shelving. The basement is waiting for your ideas or is a perfect spot for storage, a workout area or a movie room! Immediate possession available with full Alberta New Home Warranty.
