Welcome to number 301 in the High Castle of Mackenzie Town, one of the best complexes in the community. You are just steps away from High Street, where all the shops, amenities, and restaurants are located. You're also just around the corner from the pickleball courts, which are free if you're a Mackenzie Town resident! The unit itself is perfectly situated in the building and is one of the best floor plans. It's got a fantastic west-facing deck that gives you a huge mountain view and because it's a corner unit, wraparound windows flood the entire space with light. All the appliances have been upgraded (in fact, the stove has never even been used), and there is newer luxury vinyl plank flooring throughout the main area. There is also a separate in suite storage room that will house all your extra things. This place is in tip-top shape without a scratch any where. It's super cute, with two beds, two baths, a full ensuite, and there's nobody living above you. It really is a private little oasis. You don't want to miss it.
