Welcome to a "ONE OWNER" home in the heart of Capitol Hill! Truly an amazing time capsule immaculately preserved in every detail, from original mouldings and doors to original solid hardwood flooring under the carpets! This very well maintained property features a solid two bedroom raised bungalow on a large infill 28 x 117ft lot, located on a very quiet street just steps to Confederation Park. This raised two bedroom bungalow features an open beam ceiling in the living room adding to the charm and character of this well kept home. The large eat-in country kitchen offers nice solid oak cabinets and two main floor bedrooms have vaulted ceilings creating an illusion of space. The lower level is partially developed including a large family room and a 3-pce bathroom. The spacious laundry/utility room has a newer f/a furnace and h/w tank. Very private rear yard leading to a nice sized single car garage. This is a fantastic and quiet inner city location close to SAIT, the University of Calgary, only a short commute to downtown and easy access west to mountains. Hurry on this one!
