Perfectly situated across from the ravines of Cranston , you will find the home you have been waiting for. Built with quality craftsmanship and thought, this home is far from basic - from the real, solid hardwood floors, to the double glazed custom skylight, and the timeless granite counters throughout the whole property, it has every imaginable upgrade - no detail was overlooked. Offering over 2100 square feet of beautifully designed living space, the layout is both spacious and functional. The main floor features an open concept design, complete with a large mudroom, a walk through pantry and a chefs kitchen. Upstairs you will find a generous bonus room beaming with natural light, perfect for a family lounge space. The luxurious primary suite boasts a spa inspired ensuite with dual sinks, a soaker tub, glass walk in shower and an expansive walk in closet. Two additional bedrooms, a full bathroom, and a large laundry room complete the upper level - making this home as practical as it is elegant. With thoughtful design, premium finishes, and unmatched attention to detail, this home offers the perfect balance of comfort, style and functionality.
