Discover the Valmore 3 – bright, open, and thoughtfully designed. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. The kitchen features stainless steel appliances, a chimney hood fan, and a spacious walk-in pantry. The great room is centered around an electric fireplace and filled with natural light from windows throughout the home. Enjoy outdoor living on the rear deck. Upstairs, a vaulted ceiling and skylight elevate the bonus room, creating the perfect retreat. The primary ensuite includes a walk-in shower for a spa-like experience. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
