OPEN HOUSE SAT SEPT 27 FR 2-4. Beautiful and charming CORNER unit offering 1,934 SF of living space and incredible downtown views! Nestled on a tree-lined street in the heart of Sunnyside, you will immediately love the curb appeal and front porch welcoming you in to the home to a vaulted foyer, rich hardwood throughout and a bright, airy feel. The spacious living room features wainscoting, a cozy wood-burning fireplace and opens to the dining area with South patio access. The gorgeous kitchen is complete with upscale appliances including a GAS range, quartz counters and backsplash opening to the breakfast nook with front yard views. A guest powder room completes this level. The hardwood continues up the staircase to the Primary suite with downtown views, Spa-like ensuite with heated floors, soaker tub and glass encased shower. The Primary bedroom also boasts a sunny reading nook with built-in bookcase and gas fireplace to snuggle up next to with a great read. A second bedroom and 4 piece bathroom complete this level. The lower level is developed with 2 large bedrooms, a 2 piece bathroom, laundry, an abundance of storage and entrance to the over-sized single garage. A fenced patio with South and West exposure is perfect for your pet and enjoying the summer evenings in this vibrant community. Pet-friendly and with one of the best walk-scores, you can stroll through Sunnyside and Kensington for morning coffee, visit the boutiques, restaurants and bike along the river paths. Book your showing today!
