Pride of ownership is apparent in this beautifully cared-for Stepper-built home, offered by its original owner and tucked away on a quiet street in the most mature and accessible part of Hidden Valley. This charming property combines comfort, function, and thoughtful upgrades with a warm, inviting feel. Step inside to discover vaulted ceilings that fill the main floor with light and a sense of space. A well sized foyer invites you inside into the living room which also could accompany a formal dining area, if need be. The kitchen is a great place for family and friends to gather, with nice cabinetry complimented by a stainless steel appliance package and island looking into the informal dining area. Located away from the primary area you'll find two bedrooms and two full bathrooms, including a generous primary suite with a double-sink ensuite, deep soaker tub, and separate shower. On site finished hardwood flows throughout most of the main floor. - no carpeting in this home (Hardwood, LPV and tile throughout) The fully developed lower level expands your living space with a large family room, games area, office, third bedroom, and full bathroom—perfect for family gatherings, guests, or quiet relaxation. Outdoor living is just as inviting. The gorgeous, private treed yard offers a serene retreat with a maintenance-free patio and vinyl fencing, adding privacy There's plenty of parking and storage with a double attached garage plus a single detached garage (with power and door opener)—ideal for hobbyists or extra vehicles. Additional notable features include air conditioning, triple-pane Polar Rayomax windows, a wood-burning fireplace with gas lighter, built-in vacuum system, and newer furnace (2021). The hot tub is also included for year-round enjoyment. Located on a corner lot with no sidewalks to shovel, this home is easily accessible from 14th Street

and Country Hills Boulevard, close to community schools, parks, and pathways.
