Affordable Bungalow in Highland Green – Endless Potential at \$304,900! Here’s your chance to own a fully detached home in a mature Red Deer neighbourhood at an unbeatable price. This 1155 sq.ft. bungalow, built in 1977, sits on a spacious lot in Highland Green, offering excellent value and opportunity for buyers looking to invest in sweat equity or create their dream home. The main floor features a classic layout with a bright front living room, adjoining dining area, and a functional kitchen ready for your personal touch. Three bedrooms and a full bathroom complete the main level, providing ample space for a family or first-time buyer. This home also features a half bath off the primary bedroom - not something all homes of this era have! The partially finished basement adds additional living potential with a large rec room area, den, and plenty of room for future development. Outside, the property includes a generous yard with mature trees, off-street parking, and space to add a garage if desired. An affordable entry into Red Deer’s detached housing market with nearby parks, schools, and shopping, this Highland Green location offers convenience and community at a price point that’s hard to beat. Listed at \$304,900 – opportunities like this don’t come often!
