Exceptional value in Sunset Ridge || Introducing the Mount Rundle by Douglas Homes Master Builder — a thoughtfully designed two-storey home with a full 9-ft walk-out basement, 3 + 1 bedrooms, 3 full bathrooms, and a flex room on the main floor. With its 26-ft wide design, this home balances modern comfort and practical living. The main floor features 9-ft ceilings, engineered hardwood floors, a bright great room with an electric fireplace, and a well-appointed kitchen with quartz countertops and stainless-steel appliances. A full bath and flex room on this level add everyday versatility — ideal for guests or a home office. Upstairs, you'll find a spacious loft and three bedrooms, including a primary suite with dual walk-in closets and a private ensuite with double vanities. A treated wood deck completes the rear yard for easy outdoor enjoyment. If you have a young family, RancheView School (K–8) is just a few blocks away and St. Timothy High School is only minutes down Sunset Boulevard. The future community centre and a third school, when that’s done, will be within short walking distance. Weekend escapes to the mountains are a scenic 40–45 minutes away, while your commute back to Calgary takes roughly 30 minutes — about the same to Costco and 45 to the airport.
