This home steals the show! Meticulously renovated to open up the home- as soon as you open the front door the views of the private yard and tree lined pathway beyond will invite you in. Think beautiful mountain retreat but right here in the heart of Riverbend. This place makes you want to stay- cozy up by the stone fireplace, putter around the gorgeous designer kitchen, and then take your favourite beverage out onto the heated, covered deck for some well deserved R&R. The homeowner is a construction superintendent with over 30 years of construction experience- you can feel the care and quality that has gone into the renovation and updates. Main floor laundry and a powder room complete the main level, while the heated garage/shop is the icing on the cake. Upstairs, you'll find the primary bedroom overlooking the backyard, complete with a large walk-in closet and 4-piece ensuite, plus two additional bedrooms and a second full bath. The undeveloped basement offers plenty of room to grow into. With quick access to the shops and businesses of Quarry Park, the Bow River pathways, and major routes- this property offers the perfect blend of quiet living and urban convenience. This home, with this yard, in one of the nicest established neighbourhoods in Calgary- you don't want to miss out!
