If you're searching for BUNGALOW STYLE LIVING in Cochrane, this thoughtfully designed one-and-a-half storey home offers exceptional comfort, functionality, and style. With the primary bedroom and laundry located on the main floor, this home lives like a bungalow while still providing valuable additional space above. The primary bedroom is a true retreat, featuring beautiful vaulted ceilings, large windows, and an abundance of natural light. A custom barn door leads to the spa-inspired ensuite, complete with quartz countertops, double vanity, separate shower, and a deep soaker tub. The elegant white kitchen showcases quartz countertops, ample cabinetry, a large flat island, stainless steel appliances, and a walk-in pantry, making it ideal for both everyday living and entertaining. Soaring vaulted ceilings carry through the open-concept kitchen, dining, and living areas, where the electric fireplace is framed by a stunning floor-to-ceiling feature wall with paneled millwork, creating a warm and sophisticated focal point. Luxury Vinyl Plank flooring flows throughout the main level, with cozy carpet in the primary bedroom and upper floor. The upper level offers a private, dedicated space for family or guests, featuring two well-appointed bedrooms that share a nicely finished Jack-and-Jill bathroom with quartz countertops. The family/bonus room, wired for a wall-mounted TV and offering access to an upper deck with mountain views and sunsets, is a versatile space perfectly suited for work, rest, or relaxation.
