The amazing space in the family room, complete with a fireplace, breakfast nook, and a spacious kitchen with granite tops and stainless appliances. A main floor office space and a dedicated laundry room complete this great main floor layout. The lower level does not disappoint with a 4th bedroom, another full bath, and a complete ILLEGAL SUITE with full kitchen, family room with a 2nd fireplace & built-ins with access to your walkout south-facing back yard. The storage shed under the deck is a great place for all the toys, a corner-lot RV PARKING space, and lots of room for the kids to run around and play, making this a dream backyard for families.
