Welcome to the Noah by Sterling Homes Calgary! Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. Discover this stylish 2025 home featuring a side entrance and a rear 9' x 11' deck with BBQ gas line. The bright interior offers additional windows throughout, an electric fireplace with paint grade block mantel, painted basement floor, paint grade railing with iron spindles, and a vaulted bonus room. The kitchen includes a chimney hood fan with built-in microwave, tile-to-ceiling backsplash, fridge with water dispenser, and walk-in pantry. Relax in the spacious 5-piece ensuite with soaker tub, fiberglass base shower with tile-to-ceiling walls, glass ledges and barn style door, plus LVP flooring in all upper floor bathrooms. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
