The main floor offers a bright, open concept living, dining, and kitchen area that flows beautifully from the moment you step inside, with 9' ceilings, vinyl plank flooring throughout, and a clean, modern feel. The kitchen is a standout feature, boasting dark raised cabinetry, a central island with eating bar, upgraded stainless steel appliances, a granite sink, and a walk-in pantry. Just off the kitchen is a garden door leading directly out to the back deck, and a convenient 2 pce bathroom finishes off the main level. The two kids bedrooms share their own 4 pce main bath, and laundry is conveniently located on the same level as all the bedrooms. The basement offers roughed in in-floor heat and is open to your future design ideas for a family room, additional bedrooms, and rough ins are in place for a full 4 pce bathroom.
