This beautifully maintained 1-bedroom, 1-bathroom condo offers a bright, thoughtfully designed living space in a vibrant and convenient neighbourhood. Pride of ownership is evident throughout, while fresh updates – new flooring, waterfall quartz countertops, and fresh blinds – bring a sleek, contemporary feel. The open-concept layout is enhanced by floor-to-ceiling windows and nine-foot ceilings, creating an airy, inviting atmosphere in the spacious living room. A built-in desk provides a dedicated workspace, while the in-suite laundry room offers extra storage. This unit comes with an additional storage locker in the building for even more convenience. The private west-facing balcony is the perfect spot to unwind, with glimpses of The Rocky Mountains adding to the charm. Stay comfortable year-round with air conditioning, and enjoy the perks of titled underground parking, including a car wash bay to keep your vehicle looking its best. Located in a vibrant neighbourhood just one block from Safeway and surrounded by shops, restaurants, and parks, this condo offers the perfect balance of comfort, style, and convenience.
